

Amendments to the Drawings:

The attached sheet of drawing includes changes to Fig. 10. This sheet, which includes Fig. 10. In Figure 10, "index" has been changed to "power".

Attachment: Replacement Sheet

REMARKS

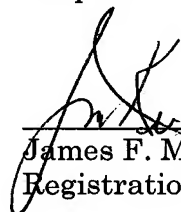

In light of the telephone discussion with the Examiner, Applicants have amended the specification, claims and Fig. 10 to correct translational errors therein as evidenced by the attached Verification from the translator. As to the amendments to the specification, submitted concurrently herewith is a substitute specification and marked up version thereof. Applicants certify that that the substitute specification contains no new matter and includes the changes indicated in the marked-up copy of the original specification.

If there are any questions regarding this amendment or the application in general, a telephone call to the undersigned would be appreciated since this should expedite the prosecution of the application for all concerned.

If necessary to effect a timely response, this paper should be considered as a petition for an Extension of Time sufficient to effect a timely response, and please charge any deficiency in fees or credit any overpayments to Deposit Account No. 05-1323 (Docket # 100341.57627US).

Respectfully submitted,

September 16, 2009

TRANSPERFECT

AFFIDAVIT OF ACCURACY

I, Lindsey Martin, hereby certify that, after further review of the German into English translation of PCT/EP2004/011983, it has been determined that the term "refractive index" should have been translated as "refractive power".
